Glen Reagin, Poland Hill Road, stated he is the resident at the curb and he believes there has been over 25 accidents regarding his property but he only recently started reporting them to the police. He is just very concerned someone will run through his house. He asked about a speed bump and Mrs. Leshney explained to him, it makes a ramp if someone goes over too fast.

Mrs. Leshney said the curb will be realigned but that is several years away and is not a viable solution. Mrs. Leshney stated the Commission could not take action because there was not a quorum but the plan will be to contact Duke Energy about a street light on the corner and rumble streets on the right side of the street.
