Re: Spoils Disposal Proposal
Loeb Stadium – General Trades

J.R. Kelly Company is pleased to provide a credit to use the 650 Marion Street dump location as discussed in early May for disposal of all excess spoils generated on the above project. R&W's proposal is based on hauling and dumping material only and the City (or someone other than JR Kelly / R&W) will need to provide all erosion control and grading of the material.

TOTAL LUMP CREDIT: \$55,250

Our proposal is valid for 30 days and based on having full access to the dump site as needed for our work. Please issue a Change Order for this work if you would like for us to incorporate this change into our work. If you have any questions or need additional information please contact our office at your earliest convenience. Thank you for the opportunity to work with you on this project.

Sincerely,

Robert Mutzl P.E.
