Board of Public Works and Safety  
City of Lafayette  
20 N. 6<sup>th</sup> Street  
Lafayette, IN 47901

Re: McAllister Center Roof Replacement – Recommendation to Reject Bid

The Lafayette Parks Department has reviewed the bids received at the bid opening held on Tuesday, July 23<sup>rd</sup>, 2019 for McAllister Center Roof Replacement. One bid was received from Foster Contracting, Inc. and it excludes warranty of the work that would be done around the mechanical units on the roof, which is where the current concern is located. Further, the City has other roofs that are going to be evaluated and prioritized for replacement and the McAllister roof is going to be included in those evaluations to determine the priority for its eventual replacement. It is recommended the Board of Public Works and Safety reject the received bid.

David H. Payne, Jr.  
Purchasing Manager

The Board of Public Works and Safety has motioned, seconded and passed this recommendation to reject all bids all on this 13<sup>th</sup> day of August, 2019.
