Subdivision, Lafayette, Indiana. The completed properties will be for purchase and occupancy by a Grantee client earning below 80% Area Median Income, as described in the Grantee's 2017 Agency Request for Funds Form which is incorporated into this Agreement by reference. The Grantee hereby represents and warrants that all information contained in said Agency Request for Funds Form is true and correct and that it contains no misrepresentations, falsifications, intentional omissions, or concealment of material facts, and that all information contained, and assurances and certifications made in the said 2017 Agency Request for Funds Form are incorporated into this Agreement as if fully set forth within the terms of this Agreement.

A description of the tasks to be performed under this Agreement, a schedule for completing the tasks and an estimated budget for the property assisted under this Agreement is attached as Exhibit A. The Grantee will notify LHA of any changes in the budget or schedule.

B. Use of Funds

Eligible uses of said funds are limited to pre-development expenses as approved by the Lead Agency, lot acquisition, site development, construction, or homebuyer financing assistance. Said homebuyer will be of low to moderate income and must meet income guidelines established by HUD and shall not have household income exceeding 80% of area median income.

Architectural, engineering and other professional services costs directly related to Lots Numbered three (3), four (4), five (5) and six (6) in Koinonia Ridge Subdivision, Lafayette, Indiana incurred within twenty-four (24) months prior to execution of this agreement are considered HOME eligible costs.

Prior to drawing the final HOME payment for each property, the Grantee shall supply to LHA documentation of the required local match.

II. DISBURSEMENT OF FUNDS

A. Payment

The Consortium agrees, upon submission of properly documented claims by Grantee, to disburse Program funds to Grantee up to the maximum amount of the grant. Program funds shall be requested only after eligible expenses have been incurred or the program funds are actually needed to pay eligible costs. Program funds shall be used only for the completion of activities approved by LHA. A percentage of project costs, as determined by LHA, for each property will be held until occupancy by the eligible homebuyer. All claims for payment shall be submitted to LHA on or before December 10, 2019 on properly executed claim forms along with documentation requirements listed in Exhibit B, as required by LHA. The disbursement of funds under the Program shall be contingent upon the receipt of funds by the Consortium from HUD.

To secure the Promissory Note, the Grantee shall grant the Consortium a mortgage on the assisted sites as they are identified, in a form approved by LHA, which mortgage shall be recorded prior to the release of Program funds for said assisted site.

At sale to an eligible homebuyer, the HOME funds shall be secured by recorded lien and mortgage, promissory note on the property in a form approved by LHA.

C. Repayment

The new Owner must sign a written agreement with security to abide by all terms and conditions reasonably required by LHA.

Should this HOME assisted project be sold by the initial homebuyer prior to the end of the period of affordability, the HOME assistance will be repaid according to the Consortium's Resale Recapture Guidelines in Exhibit C.

Should the HOME assisted project be terminated before completion for any reason, the HOME funds expended on the project must be repaid to the Consortium.

The sale of each house must be completed within nine (9) months of construction completion. If the house is not successfully sold to a qualified buyer within nine (9) months of construction completion, the house automatically converts to an affordable rental property.

IV. PROGRAM INCOME/PROJECT PROCEEDS

It is not anticipated that this project will generate any Program Income. However, in the event that the project does generate Program Income, all program income generated by the proceeds of

EXHIBIT C RESALE / RECAPTURE POLICY

It is the policy of the Lafayette Housing Consortium to maintain long term affordable housing through investments of federal funds. In accordance with the HOME regulations, this policy is enforced either by recapturing HOME funds to assist other buyers and/or properties (Recapture Option), or by restricting the sale of HOME-assisted properties to other low-income (household income less than 80% Area Median Income) buyers (Resale Option). The type and amount of HOME subsidy invested in the property determines the option and the minimum length of the affordability period applied to a property. The requirements of each option are specifically described in the legal documents for each loan. At the end of the period of affordability, the HOME subsidy is forgiven and the property is no longer subject to HOME Program restrictions. As a general practice, when both direct and indirect subsidies are invested in a property, the Recapture Option is utilized.

This policy provides an incentive for long term ownership and encourages neighborhood stability by reducing the HOME investment after five years. Over time, the homeowner's equity increases as first mortgage principal payments increase and the HOME investment is reduced. The homeowner's percentage of net proceeds is increased by capital improvements made to the property, thus protecting their investment and providing an incentive to maintain and improve the property.

In the event of a homeowner's default of HOME requirements during the affordability period due to death, life-threatening illness, or other extraordinary circumstance, the Consortium may allow assumption of the affordability requirements by an income-eligible family member on a case-by-case basis.

This policy may be amended from time to time to reflect changes in programs and local market conditions.

Recapture of HOME Funds

The Recapture Option is used when the homebuyer receives a direct subsidy for the purchase of the home, such as down payment or closing cost assistance, or when the unit is purchased at a price below the fair market value. Under this option, the minimum period of affordability is based only on the amount of the direct subsidy.

The homeowner is at liberty to sell to any buyer, at any price the market will bear, but also must repay the direct HOME subsidy received when the unit was originally purchased, which will be reduced on a pro-rata basis beginning year six of the affordability period. Prior to year six, the entire amount of the direct HOME subsidy is due upon closing. In the event the sale proceeds are insufficient to repay the entire HOME subsidy due, the Lafayette Housing Consortium will share the net proceeds with the homeowner.

Net proceeds of a sale are the sales price minus the repayment of any non-HOME loan balance and seller's closing costs. The amount of HOME funds recaptured is determined by the

percentage of Net proceeds proportionally based on the ratio of the HOME assistance to the sum of the homeowner's investment (down payment, loan principal payments and documented capital improvements) plus the HOME assistance as follows:

HOME Assistance					
HOME Assistance + (Homeowner Investment)	X	Net Proceeds	=	HOME Recapture Amount	

Once the HOME funds are repaid, the property is no longer subject to the HOME Program restrictions and the HOME liens placed on the property will be released.

At time of sale, if the property increases in value, the HOME investment is repaid and used to fund new eligible projects. If the property fails to appreciate by an amount sufficient to repay both the homeowner's investment and the HOME subsidy, the amount to be recaptured is proportionately reduced. If the net proceeds are less than or equal to zero, the amount to be recaptured will be zero and no additional assistance will be provided to the homeowner. The homeowner is encouraged to maintain the property in a manner that will sustain the original fair market value.

In the event of foreclosure, transfer in lieu of foreclosure or assignment of a FHA insured mortgage to HUD, and there are insufficient net proceeds to repay the HOME investment – the affordability period is terminated and the property is no longer be subject to HOME program restrictions.

Resale of Property

The Resale Option is used when only development subsidies such as site acquisition, rehabilitation, or construction financing are provided to the developer and no direct subsidy is provided to the homebuyer and the unit is sold at the fair market value. The Resale Option ensures that the home remains affordable over the entire period of affordability, even in the event of subsequent sales. Under this option the minimum period of affordability is based on the entire amount of HOME funds invested in the property and the affordability is secured with a recorded covenant or deed restriction. The developer (or City, if lien holder) may use purchase options, rights of first refusal or other preemptive rights to purchase the property before foreclosure to preserve affordability.

Unless the Consortium has established a presumption of affordability for the property's neighborhood in accordance with the specialized procedures per the HOME Final Rule at 24 CFR 92.254(a)(5)(i)(B), the homeowner is required to sell the property to an eligible low-income buyer at an affordable price.

The sale must meet three criteria:

- 1) The new buyer must be low-income and occupy the home as their principal residence for the remainder of the original affordability period.
- 2) The sales price must be affordable to a reasonable range of low-income homebuyers (PITI not to exceed 30% of gross income).

- 3) The original buyer must receive a fair return on their investment, which includes down payment, loan principal payments, and documented capital improvements.
 - a. Community-wide appreciation of property values will be considered when calculating fair return. The percentage of appreciation over the years the property was owned, as determined by sales price data provided by the Lafayette Regional Association of Realtors, or its successors, will be used to allow the property owner the same appreciation rate as the rest of the community.

The selling price is determined by adding the non-HOME debt balance, seller’s closing costs and fair return. If the selling price of the home is not affordable to low-income families, the Consortium may choose to provide additional direct subsidy to the new buyer to meet the affordability requirements. In this case, a new affordability period based on the direct subsidy amount is applied to the property, but the total (original + new) HOME funds invested in the property may not exceed the regulatory limit on HOME assistance per unit. The additional funding must be through an existing homebuyer program and the new buyer must complete an approved homebuyer education course.

Calculation to Determine Fair Return:

The Lafayette Regional Association of Realtors maintains average sales prices within Tippecanoe County. The Consortium maintains a chart of the average sales price for the calendar years since 1995. Homeowner activities prior to 1995 have met the required period of affordability and are not subject to resale restrictions at this time. The appreciation (or depreciation) rate is determined by computing the percent of change from the year of purchase to the year of sale. The homeowner investment is increased or decreased according to the percent of change.

$\frac{\text{Average Sales Price Year of Sale} - \text{Average Sales Price Year of Purchase}}{\text{Average Sales Price Year of Purchase}} = \text{Percent of Change}$
--

$100 + (-) \text{ Percent of Change} \times \text{Homeowner Investment (Down Payment, Principal Payments, Capital Improvements)} = \text{Fair Return}$

EXHIBIT D AFFIRMATIVE MARKETING POLICY

Policy Statement

The City of Lafayette has adopted an affirmative marketing goal for CDBG / HOME-assisted residential units to assure that individuals who might not normally apply to own or rent such properties because of their race, color, ethnicity, religion, age, sex, handicap, or familial status, know of the opportunities and feel welcome to apply for ownership or rental opportunities.

Procedures

1. Inform the Public, Potential Owners and/or Renters about Federal Fair Housing Laws and Affirmative Marketing Policies.

The City will require owners, developers, and sponsors of properties that contain CDBG / HOME-assisted housing units (hereinafter referred to as “Grantee”) to implement the affirmative marketing goal of the City of Lafayette to assure that individuals who normally might not apply for CDBG / HOME-assisted units because of their race, color, ethnicity, religion, sex, handicap, or familial status: a) know of the availability of such units, b) feel welcome to apply, and c) have the opportunity to own and/or rent the units.

Agencies and Grantees using CDBG / HOME funds for housing acquisition, rehabilitation, or down payment assistance will inform the public and potential owners and/or renters of CDBG / HOME-assisted units by the use of the Equal Housing Opportunity logo or slogan in press releases, solicitations and written communications to all groups, and by posting the Equal Housing Opportunity logo in each project building or rental office.

2. Inform Public, Potential Owners and/or Renters about Available Units.

Legally binding agreements will require the Grantee to market CDBG / HOME-assisted units in an affirmative manner in order to attract renters or owners who might not normally apply to own or rent such properties, regardless of their race, color, ethnicity, religion, sex, handicap, or familial status.

While soliciting owners or renters, the Grantee shall conduct outreach efforts to reach persons least likely to apply for the housing. The solicitations and advertising shall include the Equal Housing Opportunity logo, slogan, or statement. The Fair Housing poster shall be displayed where visible to applicants. Locations or contacts for outreach include, but are not limited to:

- A. Social service agencies
- B. Neighborhood groups and associations
- C. Local media
- D. Community contacts (groups/organizations located within the housing market area)
- E. Newsletters for senior citizens, disability or other special needs groups
- F. Community centers
- G. Places of worship

Marketing Plan Submission

For all housing projects with five (5) or more HOME-assisted units, Grantee must submit a Marketing Plan in writing to the Lafayette Community Development Department for approval within sixty (60) days of the date of the executed contract and before the first draw is released. The Marketing Plan must include the following:

1. Methods for informing the public, owners and potential tenants about fair housing laws.
2. Description of what Grantee will do to affirmatively market housing assisted with HOME funds.
3. Identification of groups in the housing market area who are least likely to apply for the housing because of its location or other factors without special outreach.
4. Description of what Grantee will do to inform persons not likely to apply for housing without special outreach.

Record Keeping

To document implementation of the Affirmative Marketing Program activities, Grantees will meet the record-keeping requirements of 24 CFR 92.508(a)5(i) and (ii) and 92.351 concerning racial, ethnic, and gender characteristics, and maintain the following records:

1. Complete demographic characteristics of all applicants.
2. Grantee's written acknowledgement of fair housing notice and laws.
3. Record of contact with applicants.
4. Copies of notices to social service agencies, neighborhood and other groups specified above.
5. Copies of press releases, media coverage, mailings and other pertinent information.

Assessment and Corrective Action

The City will assess the affirmative marketing efforts for effectiveness using the following steps. If corrective action is necessary, the City will work closely with the Grantee until the issues are resolved.

1. To determine if good faith efforts have been made, the City will periodically compare the information contained in the records with actions taken to implement the affirmative marketing efforts.
2. To determine results, the City will examine whether persons from all racial and ethnic groups in the community either were aware of or applied for units that were affirmatively marketed.
3. The City may periodically perform ownership and/or tenant surveys to determine the source of referrals.
4. If it is determined that the Grantee has not affirmatively marketed the program, corrective actions may be required. These may include an initial conference to discuss required changes, possible disqualification from future participation in CDBG / HOME programs and/or legal action.
