FOR IMMEDIATE RELEASE
May 24, 2018

Road Closure – Traffic Detour South 9th Street

LAFAYETTE, INDIANA – May 24, 2018 – Starting Tuesday, May 29th, Bowen Engineering will be beginning repairs to the sanitary line at the intersection of 9th Street and Elliot Street. At this time 9th Street will be closed to through traffic at this intersection. The repair has an expected duration of 2 days. Starting the morning of May 31st, 9th Street will be reopened to through traffic and construction will be limited to Elliot Street. Please allow for extra time when traveling and seek an alternative route along State Street/Kossuth Street. Please pay attention to the signage and be aware of construction traffic and workers in this area.
