McAllister Recreation Center to host indoor Winter Market

LAFAYETTE, IN – November 10, 2022– McAllister Recreation Center has announced that they will host an indoor Winter Market on select Saturdays in November and December. The Winter Market will be the first of its kind for the center.

“We are thrilled to be able to open our doors for the new Winter Market,” said Program Coordinator Tyler Laufman. “Just in time for holiday shopping, the Winter Market gives our community the opportunity to support their favorite local vendors while finding unique, fun one-of-a-kind gifts. You’ll find many of your favorite artisanal products and wares at McAllister Recreation Center.”

The Winter Market at McAllister will take place from 9:00am-2:00pm on November 12, December 10, and December 17 at McAllister Recreation Center. Items for sale will include hand-crafted artisan goods and unique gifts, among other things. The McAllister team is hoping to continue hosting the market in early 2023 and will share those updates as soon as they become available.
