City of Lafayette to Break Ground on New Solar Field at Lafayette Renew

LAFAYETTE, INDIANA – News Advisory – August 8, 2023 – The City of Lafayette will be having a groundbreaking event for a new solar field at the Lafayette Renew Wastewater Treatment Plant.

Date: Wednesday, August 16, 11:30 am

Location: 1700 Wabash Avenue, Lafayette, IN

Access to the groundbreaking site is via Tow Path Road, directly north of the railroad tracks on Wabash Ave. Watch for signs.

The ceremony will feature comments from Mayor Tony Roswarski and Brad Talley, Superintendent of Lafayette Renew. Parking is available at the groundbreaking site. Refreshments will be served.
