ADVERTISEMENT FOR BIDS

Sealed Bids for the resurfacing and widening of Haggerty Lane will be received by the City of Lafayette, Indiana at the office of the City Clerk, City Hall, 20 North 6<sup>th</sup> Street, Lafayette, Indiana 47901, until 9:00 AM (local time) on **February 19, 2019**, at which time the Bids received will be opened and read aloud.

**Project Scope:**

**The project consists of the resurfacing and widening of Haggerty Lane beginning on the east side of the Veterans Memorial Parkway intersection and extending approximately 5,710 feet to the east toward the Interstate 65 overpass. The required widening will occur along the south side of Haggerty Lane and will typically include 12 feet of new HMA pavement, resulting in a three-lane section. This typical section would generally include two (2) thru lanes and one (1) continuous/dedicated left turn lane. Additional widening will be provided at drive approaches where auxiliary lanes are required. The existing north half of Haggerty Lane will be milled and re-surfaced for the full project length with the re-surfacing occurring with the placement of the south surface layer.**

**The widened typical section will also include the provisions for (grading) a 10 foot wide, multi-purpose pathway. The HMA pavement for the pathway will be included as a Bid Alternate. The pathway will be typically offset 16 feet from the proposed south edge of pavement.**

**Existing cross culverts will be extended for the widened pavement. A new 4 foot flat-bottom ditch will be constructed along the south side of Haggerty Lane and proposed trail to accommodate the widened typical section.**

**This project will include the signalization of the combined intersection for SIA (to the south) and S. CR 500 E. (to the north).**
